

**AGREEMENT FOR ERECTION OF STORAGE SHED**  
(one per single story condominium)

Specifications are:

1. Gambrel design (pictured above)
2. 8'0" wide by 8'0" by 8'4" to 8'7" height
3. Rear of shed must be positioned parallel to fence and 18" from the fence.
4. Shed may not be placed on permanent type footer or base.
5. Bottom of shed to ground space on perimeter must be covered to prevent usage by animals.
6. Shed must be color coordinated to condominium.

This agreement is limited to owners of Two Worlds single story units. Grass and weeds around the shed, including 18" space, is the responsibility of the owner. All building maintenance and insurance are the responsibility of the property owner.

Each single story condominium building has one unit without access to the rear. This property owner must receive approval of the other three owners, plus Two Worlds Board of Directors as to location of the shed along the fence.

All sheds must be constructed in a professional manner. All expenses for necessary location of the shed are the responsibility of the property owner.

I agree to all specifications and restrictions listed above.
